

ACTIVITY 6 (REVISION ACTIVITY):

HOT SEAT

Procedure:

The teacher will read these instructions:

“Let’s choose a person for each group. This person will seat on a chair, giving the back to the blackboard. I will write on the blackboard one of the keywords that we met during our lesson; the other members of the group will help their mate, trying to give him suggestions to guess the right word. Of course, nobody has to tell the written word, or has to use words with the same root. The group can tell how many letters are in the written word.

Let’s choose another student”.
